Accessing Telecare Avatar EHR for Audit Staff

If you are an auditor who has a scheduled audit at a Telecare Community Program, then follow these steps to connect to our Avatar EHR system. Please make sure the Program Administrator you are working with has provided the IT Help Desk your name, phone number, and email address. You should have received a 'Welcome to Telecare Avatar' email with your credentials before continuing this process.

Step-by-step guide

b.

Getting Connected to Telecare myAvatar

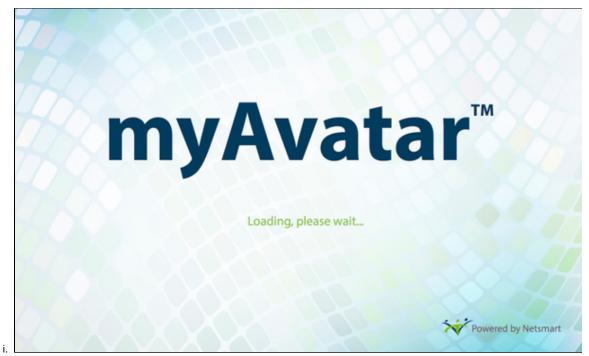

Are you connecting from a location outside of the local Telecare office? If so, please make sure your computer is ready to connect:

- 1. Do you have Java installed? Telecare's Avatar system runs using a Java client. Please confirm with your IT staff to make sure you have one of the following versions available for your computer. You will need the following Java version installed depending on what Operating System Release you are running.
 - a. WINDOWS 10 JAVA 8 UPDATE 45
 - b. WINDOWS 7 JAVA 8 UPDATE 112
- 2. Do you have internet access available? You will need to reach our Avatar URL to get to our URL, so you will need an available internet connection.
 - a. USING THE INTERNET EXPLORER BROWSER, NAVIGATE TO: HTTPS://TELECARE.NETSMARTCLOUD.COM/RADPLUS/INDEX.JSP
- 3. You will see the following web page, please click on the 'Start MyAvatar' button to continue
